APPENDIX B

K-9 AGREEMENT (Attached)

AGREEMENT

In consideration for the promises set forth herein, the parties agree as follows:

1) This Agreement among the Borough of Fort Lee, ("Borough"), PBA Local 245, ("PBA"), and Police Officers Michael Papachristou (Badge #167) and Terence McCabe (Badge #209) encompasses the complete and binding Agreement of the parties signatory hereto, with regard to all issues and entitlements, past, present and future, concerning wages and other terms and conditions of employment of Borough police officers assigned as K-9 dog handlers (the "Agreement"). This Agreement shall also be applicable into the future and govern the wages and terms and conditions of employment of new and existing Borough police officers assigned as K-9 dog handlers, ("K-9 Officers").

2) The K-9 Officers Michael Papachristou and Terence McCabe, hereby represent that, after consultation with attorney(s) of their own choice, that they do not have any past or unpaid current claim for compensation against the Borough in connection with or related to the duties as Borough K-9 Officer(s) and further that they waive and release any such claim(s) against the Borough, whether known or unknown.

3) While on-duty, K-9 Officers will be paid the same wages and be governed by the same rules and terms and conditions of employment as other police officers employed by the Borough, except to the extent same are modified by the terms of this Agreement.

4) a) Effective upon execution of the Agreement, the Borough will pay canine officers at an hourly rate of pay of \$8.00 for all time which is spent outside of the scheduled tour of duty providing home training, care and maintenance for and to the dog assigned to that officer by the Borough (the "K-9 Hourly Rate"). All parties further agree that compensation for off-duty time to provide for the training, care and maintenance of the assigned dog shall be limited to one hour per day, seven days per week, unless the Chief

of Police or his designee shall give prior written approval to the K-9 Officer for some greater period of time. Such approval shall be given only on a day-to-day basis. Hereafter, any modification to the established off-duty hourly rate of pay for K-9 Officers shall be subject to collective negotiations between the Borough and the PBA, commencing January 1, 1999.

b) The compensation set forth above shall be a stipend and the Borough shall issue each K-9 Officer an annual (RS Form 1099).

c) The above-stated stipend shall be payable in accordance with the Borough's now or future periodic pay check schedule, by a Borough check. Alternatively, at each K-9 Officer's sole election, indicated annually to the Police Chief in a signed and dated writing, delivered each succeeding January, the said stipend compensation may be paid as "compensatory time." The amount of compensatory time attributable to the said stipend compensation shall be determined by dividing the K-9 Hourly Rate by the regular police officer's rate of pay (e.g., \$8 + \$32 = \$40 a 14 hour of compensatory time in lieu of payment of K-9 Hourly Rate).

For this use of the instant Agreement, equal to 1/4 hour of comp. time in lieu of the payment of the K-9 Hourly Rate.

5) The Borough shall immediately establish appropriate time sheets for K-9 Officers to complete, certify as true and correct and submit to the Chief of Police or his designee, on a bi-weekly basis, to explain and record all time spent outside the K-9 Officer's scheduled tour of duty, involving the training, care and maintenance of the dog assigned to the K-9 Officer. The unexcused failure of a K-9 Officer to timely submit complete time sheets shall be deemed neglect of duty and no payment will be made for a given period until and unless such time sheets are submitted.

6) The work schedule of K-9 Officers shall generally be governed by Article VII, Hours of Work, in the contract between the Borough and the PBA, except that K-9 Officers shall, at the Chief of Police's sole option, be separately scheduled; shift assignments shall

not be bid by seniority; and the Chief of Police or his designee, at his sole discretion, may modify shift assignments, with 48 hours notice to the K-9 Officer(s), without incurring any premium or overtime pay or compensation obligation to the K-9 Officer. K-9 Officers shall not be used to replace or diminish regular overtime opportunities, i.e., overtime opportunities which the Chief or his designee determine do not require K-9 dogs and officers.

7) K-9 Officers who are called back to duty in an unscheduled work period shall be compensated with a minimum of 4 hours of overtime pay, to be taken as pay or time-due. In the event that any one or more call-backs in any 24-hour period require the K-9 Officer to work more than 4 hours, he or she shall be paid in accordance with the collective bargaining agreement then in effect. Travel time from a call-back is not compensable time. K-9 Officers held over from normally scheduled tours of duty shall be paid on an hourly or portion thereof basis, in accordance with existing practices.

8) a) The Borough shall be responsible for all job related expenses, reasonably incurred, regarding the maintenance, care and training of canines, subject to prior approval from the Chief of Police. Such expenses include, but not limited to, the provision of training aids, narcotics towels, medical care, liability insurance (on and off duty), grooming costs, certification fees, costs of food, etc. The Borough shall provide purchase orders to the extent possible to cover such expenses. If it is impossible to provide a purchase order for a particular expense, a voucher system shall be used instead.

b) The Borough may, as its sole option, designate vendors which shall be the sole and exclusive suppliers of designated goods, services and equipment for the K-9 Officers and/or their assigned dogs. Notwithstanding the foregoing, in the event of a serious injury to a K-9, the K-9 Officer may bring the dog for emergency treatment to the care facility which is closest to the scene and is equipped to best treat the K-9. However, if the Borough

designates an available care facility, that choice shall not be disregarded without good and sufficient cause.

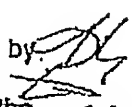

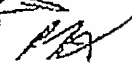

c) K-9 Officers shall receive the same uniform allowance as provided to other police officers.

d) Neither the Borough or its insurer shall be responsible for any damage caused by the assigned dog to the personal or real property (or other property interest) of the K-9 Officer or that of members of or invitees to his/her household.

e) It shall be the duty and the responsibility of each K-9 Officer to take reasonable and prudent steps, both on and off duty, to prevent injury to the assigned dog and injuries or damages which may be caused by the assigned dog, to the property or person of others.

9) If or when the K-9 Program is disbanded or an assigned dog is retired from duty, each K-9 Officer to whom said dog was assigned shall be permitted to purchase his/her retired dog in accordance with N.J.S.A. 40A:11-36 for a price not to exceed \$250. Fair market value is stipulated to be \$2,400 for a new K-9 dog. Retired K-9 dogs shall only be used as house pets of the Officer purchasing the dog. No other use, employment or transfer of the retired dog shall be made. Any such offer of purchase must include the written, dated and executed agreement of the proposed purchaser and proof of best efforts to obtain affordable liability insurance, on terms and in an amount sufficient to enable the Officer to indemnify, defend and hold harmless the Borough, its employees, representatives, etc., from any and all claims and damages alleged to have been caused by the previously assigned dog or its owner, in connection with the dog to the person or property of the bidder/proposer or others.

10) The parties agree that the above paragraphs of this Agreement, except for Paragraph(s) #11 and #12, shall be incorporated as an Addendum to the existing collective negotiations agreement and specifically included as a separate provision in the successor collective negotiations agreement between the parties. Each party represents that the expenditures/costs savings related to or resulting from this Agreement shall not be introduced as evidence in support of either party's position in collective negotiations and/or interest arbitration regarding a successor agreement. However, the K-9 Hourly Rate may be a subject of bargaining/interest arbitration in any current or future proceedings.

11) Despite the representations contained in Paragraph #2 hereof, the Borough agrees to pay K-9 Officers Michael Papachristou and Terence McCabe the sum of One Hundred Dollars (\$100) and K-9 Officers Michael Papachristou and Terence McCabe agrees to accept said payment, as full and complete compensation for any pay, other compensation or damages which the Borough may owe to him/her/them under the U.S. Fair Labor Standards Act and any other law, within thirty (30) days from the execution hereof by  all parties in full and complete release, settlement and compromise by the PBA and the  named police officer(s) of any such claims.

12) The K-9 Officers Michael Papachristou and Terence McCabe, their dependants, successors, heirs, executors, administrators and assigns, and each of the, hereby fully and forever releases and discharges the Borough as well as its agents, officers, directors, employees, successors, assigns, insurers and attorneys, and each of them, of and from any and all claims, rights, actions, causes of action, obligations, debts, interest, damages, charges, losses, debts, demands of any nature, whether arising in law or in equity, relating to the compensation and expenses which the Borough may owe to them with respect to the training, care and maintenance of his/her/their assigned dogs.

13) It is the intention of the parties hereto that this Agreement shall be effective as a full and final accord and satisfaction and release of each and every released matter, including all unknown and/or unsuspected claims. In connection with this waiver, each party hereto acknowledges that facts in addition to or different from those presently known may later be discovered which relate to the subject matter of this Agreement. The parties also recognize the possibility that, in the future, damages that are not currently known may be suffered in relation to matters released in this Agreement. Notwithstanding these possibilities, it is each party's intention to fully, finally and forever settle all released matters, disputes and differences.

14) Each party agrees to bear its/his/her own costs expenses and attorneys' fees incurred in connection with this Agreement.

15) Each party hereto expressly warrants and represents that it/he/she is fully authorized to enter into this Agreement each of its terms, and that it/he/she has not assigned to any other party or person any claims released herein.

16) The K-9 Officers Michael Papachristou and Terence McCabe and the PBA warrant that they have not filed any other lawsuits, charges, complaints, petitions, or other accusatory pleading against the Borough with any governmental agency or in any court, based upon, arising out of or related in any way to any events occurring prior to the execution of this Agreement.

17) This Agreement contains the entire Agreement between the parties hereto with respect to all matters addressed herein, and fully supersedes any and all prior or contemporaneous agreements, understandings or representations, oral or written, implied or express, pertaining to the subject matter hereof. This Agreement may only be subsequently modified by a writing signed and dated by all parties hereto.

18) Each party agrees to do all things necessary to carry out and effectuate the terms of this Agreement, and expressly promises not to do or fail to do anything, directly or indirectly, which will interfere with any other party's realization of the benefits hereof.

19) This Agreement, including the releases herein, shall be binding upon and inure to the benefit of each of the parties to this Agreement and to each of their successors in interest, including heirs and assigns.

20) Each of the parties hereto has been represented by counsel in the negotiating and drafting of this Agreement. Accordingly, the rules and construction of contracts relating to resolution of ambiguities against the drafting parties shall be inapplicable to this Agreement.

21) Any dispute concerning an interpretation, application or violation of this Agreement shall be governed by the grievance and arbitration provisions of the parties' collective negotiations agreement.

22) If for any reason any provision contained in this Agreement is later deemed unenforceable, the remainder of this Agreement shall nonetheless remain binding and enforceable on all parties hereto.

23) This Agreement may be executed in multiple originals or counterparts, each of which shall be deemed an original or the equivalent thereof.

WHEREFORE, each party hereto, by the signatures below, certifies that this Agreement has been read in its entirety, that any questions regarding the meaning or effect of any terms have been answered to their satisfaction, that each party enters into this Agreement with the intent to be fully and forever bound by all of its terms, as of the date set forth opposite their signature below.

General Policy. There may be occasions when an employee requests to be temporarily relieved

of his or her work responsibilities for family or medical leave. In such instances, the Borough will grant leaves of absence in accordance with the requirements of the federal Family Medical Leave Act ("FMLA") and New Jersey Family Leave Act ("FLA").

Under the FMLA, eligible employees who request leave because of (i) the birth, adoption or placement of child in foster care with employee; (ii) the employee's serious health condition; (iii) the serious health condition of the spouse, child or parent of the employee; or (iv) the spouse, child or parent is on active duty or is called up for active duty in support of a contingency operation, will be granted unpaid family or medical leave of up to twelve (12) weeks in any twelve (12) month period. An eligible employee who is the spouse, son, daughter, parent or next of kin of a covered service member who is recovering from a serious illness or injury sustained in the line of duty on active duty is entitled up to twenty-six (26) weeks in a single twelve (12) month period.

Under the FLA, eligible employees who request leave because of (i) the birth or adoption of a child, or (ii) the serious health condition of the spouse, child or parent of the employee, will be granted unpaid family or medical leave of up to twelve (12) weeks in any twenty-four (24) month period. Leave under either the FMLA or the FLA provides the employee with certain assurances of job security and continued employee benefits during the leave.

See also paid family leave provisions under the Paid Family Leave Act ("PFLA") in this manual. It is the policy of the Borough that an employee taking paid family leave under the PFLA must take the leave concurrently with any unpaid FMLA or FLA leave that the employee is entitled to.

Eligibility. Full-time (and some part-time) employees may be eligible for family or medical leave if they meet the requirements set forth below:

1. FMLA. Employees are eligible FMLA leave if:
 - a) They have worked for the Borough for at least 12 months; and
 - b) They have worked at least 1250 hours during the 12 month period preceding the start of the requested leave.
2. FLA. Employees are eligible for FLA leave if:
 - a) They have worked for the Borough for at least 12 months; and
 - b) They have worked at least 1000 hours during the 12 month period immediately preceding the start of the requested leave.

12 or 24 Month Period: The Borough will use a rolling 12 or 24 month period to measure eligibility for requested leave under either the FMLA or the FLA. This means that the 12 month period under the FMLA or the 24 month period under the FLA will be measured backwards from the date on which the leave is requested to commence.

**BOROUGH OF FORT LEE
EMPLOYEE HANDBOOK**

FMLA Leave Entitlement vs. FLA Leave Entitlement:

1. **FMLA Leave.** May be taken for the following reasons:

- a) The birth, adoption or placement in foster care of a child;
- b) The employee's serious health condition;
- c) The serious health condition of the spouse, child or parent of the employee;
- d) The spouse, child or parent is on active duty or called to active duty; or
- e) The spouse, parent, child or next of kin is recovering from a serious illness or injury sustained in the line of duty while on active duty.

2. **FLA Leave:** May be taken for the following reasons

- a) The birth or adoption of a child; or
- b) The serious health condition of the spouse, civil union/domestic partner, child or parent of the employee.

If an employee requests leave that is covered by both the FMLA and the FLA, the leave simultaneously counts against the employee's entitlement under both acts. For example, if the employee requests leave for the birth of a child, such leave would be covered under both the FMLA and the FLA. The employee would therefore only be entitled to a total of twelve (12) weeks leave. If, however, the employee requests leave that is only covered by the FMLA, it shall not abridge the employee's right to request leave for reasons allowed under the FLA. This means that in certain limited circumstances, the employee may be entitled to up to twenty-four (24) weeks leave in a twelve (12) month period. For example, if the employee requests leave to care for his/her own serious health condition, such leave would only be covered by the FMLA. The employee could then request an additional twelve (12) weeks for reasons allowed under the FLA, such as caring for a family member with a serious health condition.

Definition of "Serious Health Condition":

1. An illness, injury, impairment or physical or mental condition that involves:

- a) inpatient care in a hospital, hospice or residential medical care facility, or
- b) continuing treatment by a health care provider,
- c)

Handwritten signature/initials

**BOROUGH OF FORT LEE
EMPLOYEE HANDBOOK**

Procedure

1. **Notice.** To the extent possible, advance written notice of a request for family or medical leave is required. The employee shall submit a written request for family leave, accompanied by certification by attending physician, to his/her Department Head. Using N.J.A.C. 13:12-1.5 (c)(1) and (d)(1) as a guide, the following notification time line should be followed when requesting a family leave:

- An employee who takes a leave in order to care for a newly-born child or a child placed for adoption with such employee shall provide the employer with notice no later than thirty (30) days prior to the commencement of the leave, except when emergent circumstances warrant shorter notice.
- An employee who takes a leave in connection with the serious health condition of a family member shall provide the employer with notice, no later than fifteen (15) days prior to the commencement of the leave, except where emergent circumstances warrant shorter notice.

If it is not possible to give thirty (30) days notice, then the employee must provide as much written notice as is possible. When the leave is for a planned medical treatment, the employee should endeavor to schedule the leave so as not to unduly disrupt his or her work. Employees seeking an extension of approved leave time must submit their request to the Department Head and the Personnel Office at least one (1) week prior to the expiration of the approved portion of his or her leave.

2. **Medical Certification:** Medical certification of the need for leave is required where the leave is due to the serious health condition of the employee or the employee's spouse, parent or child. The Borough will provide the employee with the appropriate medical certification form to be completed by the health care provider of the employee or his/her spouse, civil union/domestic partner, parent or child. The Borough may also require subsequent re-certifications on a reasonable basis. Failure to comply with the certification requirements may result in the delay or denial of family or medical leave. If the Borough has reason to doubt the validity of the medical certification provided by the employee, the Borough may require a second medical certification, at the Borough's expense. Such certification will be completed by the health care provider of the Borough's choice, but not by a health care provider who is regularly used, or under contract with, the Borough. If the second opinion differs from the opinion in the original certification, the Borough may require, at its own expense, that the employee obtain the opinion of a third health care provider designated or approved jointly by the employer and the employee concerning the information in the certification. The opinion of the third health care provider shall be final and binding on the Borough and the employee.

**BOROUGH OF FORT LEE
EMPLOYEE HANDBOOK**

Use of Paid Leave. All accrued vacation, personal leave, sick days, family leave, compensatory time and other paid time off, must be used by the employee for all or part of the employee's twelve (12) week family and medical leave. Once any accrued paid leave is used, the remainder of the twelve (12) week leave shall be unpaid. It is also the policy of the Borough that, when an employee is out of work on temporarily disability or receiving workers compensation benefits, his or her FMLA leave will run concurrently.

1. Maintenance of Benefits: While an employee is on family or medical leave, the Borough will maintain its contributions to the employee's health insurance under the same terms as the plan in effect at the time the request is made, for a period of up to twelve (12) weeks, if the employee is enrolled in the Borough's health care plan at the time the request for leave is made. If applicable, the employee will be responsible for making timely payment to the Borough of his or her share of the premium cost. To the extent the employee is still receiving a paycheck from the Borough because of accrued paid leave (see above), said premiums will be deducted from the employee's paycheck. If the employee is not receiving a paycheck from the Borough during all or any portion of the leave, the employee shall make applicable premium payments in person or via mail to the Personnel Office by the 15th day of each month the employee is on leave. If the employee's premium payment becomes more than thirty (30) days overdue at any time during the leave, coverage will be terminated by the Borough. If the employee fails to return from family or medical leave, the employee will be required to repay the Borough for its share of health insurance premiums paid for the employee during the leave, provided that the failure to return to work is not due to (i) the continuance, recurrence or onset of a serious health condition, or (ii) other circumstances beyond the employee's control.
2. Accrual of Paid Time Off: Vacation, personal leave, sick days and any other paid time off does not accrue during any period of unpaid leave.
3. Return to Work: Except for employees in key positions as defined by the law (see below), upon the employee's return to work, an employee taking an approved leave under this policy will be restored to the same or an equivalent position as held prior to the leave, with equivalent pay and benefits (unless the employee is unable to perform the essential functions of that position, with or without reasonable accommodation). In order to be restored to the same or an equivalent position, the employee must return from leave on the agreed-upon date (including any approved extensions) and the entire leave must last no more than twelve (12) weeks. When an employee is returning from leave due to the employee's own serious health condition, the Borough may require the employee to submit a medical certification of fitness-for-duty.
4. Key Employee Exception: The Borough may deny job restoration to certain highly compensated "key" employees. The Borough will endeavor to advise

employees of their status as a "key" employee at the time they request leave. However, if the Borough deems it necessary to deny job restoration to a key employee who is already out on leave, the Borough will inform the employee of its intention to so designate the employee and will offer the employee the opportunity to return to work immediately.

Intermittent or Reduced Leave Schedule:

Generally, FMLA leave or FLA leave will be taken in a lump sum (i.e. consecutive days off from work up to twelve (12) weeks). However, family or medical leave may be taken intermittently, or on a reduced schedule, in situations involving the serious health condition of the employee or his/her spouse, parent or child, if medically necessary. If an employee requests an intermittent or reduced leave schedule for reasons that are foreseeable based upon planned medical treatment, the Borough may, at its discretion, temporarily reassign to the employee to another position that will better meet the needs of the Borough and the public.

Any questions regarding this policy should be directed to the Personnel Office.

Procedures for requesting family leave shall be the same procedures outlined for LEAVES OF ABSENCE WITHOUT PAY.

Family Medical Leave Act does not require that an employee's salary be continued while he/she is on family or medical leave. However an employee may elect, or the employer may require, that the employee utilize any appropriate accrued paid vacation, personal or sick leave as part of the twelve (12) week entitlement. **EXAMPLE:** if a woman takes a pregnancy disability leave from four (4) weeks before delivery through six weeks after delivery, the employer would only be required to offer two (2) additional weeks of family leave and could require that any available paid vacation time be used during that additional two (2) weeks.

While on family leave, the Borough shall maintain coverage for employee under any group health care plan at the level of coverage that would have been provided if employee had continued employment.

Family leave without pay shall be treated the same as other leaves without pay.

L PAID FAMILY LEAVE

General Policy. There may be an occasion where an employee requests to be temporarily relieved of his or her work responsibilities for Paid Family Leave. In such instances, the Borough will evaluate a request for a paid leave of absence in accordance with the requirements of the New Jersey Paid Family Leave Act ("PFLA") (N.J.S.A. 43:21-39, et seq.).

Under the PFLA, eligible employees may be granted paid family leave for up six (6) weeks in any twelve (12) month period to: (i) care for a newborn within twelve (12) months of birth; (ii)

**BOROUGH OF FORT LEE
EMPLOYEE HANDBOOK**

care for a newly adopted child within twelve (12) months of placement; or (iii) care for a family member with a serious health condition.

Eligibility. All full- and part-time employees are eligible for paid family leave. An employee that earns either (1) \$143 or more per week for twenty (20) consecutive weeks, or (2) \$7,200 or more over the previous fifty-two (52) calendar weeks qualifies for paid family leave benefits.

Paid Family Leave to be Concurrent with other Types of Family Leave.

If the employee plans to take unpaid FMLA and FLA leave, he/she must take such leave concurrently with paid family leave under the PFLA and meet the following requirements:

1) **FMLA.** Employees are eligible for FMLA leave if:

o) They have worked for the Borough for at least twelve (12) months; and

d) They have worked at least 1250 hours during the twelve (12) month period preceding the start of the requested leave.

2) **FLA.** Employees are eligible for FLA leave if:

a) They have worked for the Borough for at least twelve (12) months; and

b) They have worked at least 1000 hours during the twelve (12) month period immediately preceding the start of the requested leave.

PFLA Paid Leave Taken Concurrently with FMLA and FLA Unpaid Leave. It is the policy of the Borough that an employee taking paid family leave must take the leave concurrently with any unpaid FMLA or FLA leave that the employee is entitled to. The Borough will automatically treat paid family leave as unpaid FMLA leave (up to twelve (12) weeks of leave every year) or FLA leave (up to twelve (12) weeks of leave every two years) whenever an employee requests paid family leave. This ensures that the paid family leave benefits do not confer upon employees an additional six (6) weeks of leave entitlement beyond the twelve (12) weeks of unpaid leave to which such employees are entitled under the FMLA and FLA.

Benefits. Paid family leave benefits can be claimed by an employee for:

- 1) Bond with a Child during the first twelve (12) months after the child's birth, if the covered individual or the domestic partner or civil union partner of the covered individual, is a biological parent of the child;
- 2) Bond with an adopted Child during the first twelve (12) months after placement of the child for adoption with the covered individual; or

**BOROUGH OF FORT LEE
EMPLOYEE HANDBOOK**

- 3) Care for a Family Member with a "Serious Health Condition" supported by certification by a Health Care Provider.

NOTE: Paid family leave is not available for a Serious Health Condition affecting the covered employee.

Claims may be filed for six (6) consecutive weeks or for forty-two (42) intermittent days during a twelve (12) month period beginning with the first date of the claim.

Child means a biological, adopted, or foster child, stepchild or legal ward of a covered individual, child of a domestic partner of the covered individual, who is less than nineteen (19) year of age or is nineteen (19) years of age or older but incapable of self-care because of mental or physical impairment.

Family Member means a child, spouse, domestic partner, civil union partner, or parent of a covered individual.

Health Care Provider means any person licensed under Federal, state, or local law, or the laws of a foreign nation, to provide health care services; or any other person who has been authorized to provide health care by a licensed health care provider.

Benefit Rate and Payment. The weekly benefit rate for paid family leave is calculated at two-thirds (2/3) of the employee's average weekly wage up to the maximum amount payable. The current maximum amount payable under State law (August 12, 2009) provides the employee with \$524 per week. This benefit level may be modified, without notice to employees, by the State of New Jersey. The maximum benefit rate is adjusted every year by the State. The State's paid family leave program is funded entirely by employee payroll taxes; the Borough does not make any contributions to the program. An eligible employee claiming paid family leave receives his/her check from the State's Division of Temporary Disability Insurance, not the Borough. The Borough of Fort Lee is never responsible for payment of paid family leave benefits under PFLA leave.

Definition of a "Serious Health Condition".

Serious Health Condition means an illness, injury, impairment, or physical or mental condition, which requires inpatient care in a hospital, hospice, or residential medical care facility or Continuing Medical Treatment or Continuing Supervision by a Health Care Provider.

Continuing Medical Treatment or Continuing Supervision by a Health Care Provider means:

- 1) A period of incapacity (that is, inability to work, attend school or perform regular daily activities due to a Serious Health Condition) of more than three consecutive days, and any subsequent treatment or period of incapacity relating to the same condition that also involves:

**BOROUGH OF FORT LEE
EMPLOYEE HANDBOOK**

- a) Treatment two or more times by a Health Care Provider; or
- b) Treatment by a Health Care Provider on one occasion, which results in a regimen of continuing treatment under the supervision of a Health Care Provider;
- 2) Any period of incapacity due to pregnancy, or for prenatal care;
- 3) Any period of incapacity or treatment for such incapacity due to a chronic Serious Health Condition;
- 4) A period of incapacity, which is permanent or long-term, due to a condition for which treatment may not be effective where the individual is under Continuing Supervision of, but need not be receiving active treatment by a Health Care Provider; or
- 5) Any period of absence to receive multiple treatments by a Health Care Provider or by a provider of health care services under orders of, or on referral by a Health Care Provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity or more than three consecutive calendar days in the absence of medical intervention or treatment.

Benefits Limitations. The first seven (7) days following the filing of a claim is the waiting week. No benefits can be paid for this week or any part of the first week until benefits have been paid in each of the three (3) weeks immediately following the waiting week. If the period of paid family leave immediately follows an eligible period of temporary disability for the individual's own illness, there is no waiting period for the paid family leave claim.

If the employee is receiving a pension which the Borough contributed to on the employee's behalf, the employee's weekly benefit amount will be reduced by the prorated amount of the pension received during that particular benefit week.

No paid family leave benefits are payable for:

- Any period the employee receives temporary disability benefits or any benefits from a disability or cash sickness program or similar law of this state or any other state or the federal government;
- Any period the employee receives Unemployment Insurance Benefits;
- Any period the employee receives Workers' Compensation Benefits;
- Any period the employee receives full salary or paid time off;
- Any period the employee is working;

**BOROUGH OF FORT LEE
EMPLOYEE HANDBOOK**

- Any period of paid family leave which did not start while the employee was a covered individual or within fourteen (14) days of the employee's last day of work;
- Any period of paid family leave for the care of a Family Member and the care recipient (Family Member) was not under the care or supervision of a health care provider;
- Any period the employee is out of work due to a stoppage of work which exists because of a labor dispute at the claimant's place of employment; or
- Any period subsequent to being discharged by the Borough for gross misconduct connected with the work because of a commission of an act punishable as a crime under the New Jersey Code of Criminal Justice.

Use of Paid Leave. Prior to taking paid family leave, an employee must first use up to two weeks of any paid vacation time, sick leave, or other leave at full pay for which the employee is eligible. When an employee uses paid vacation time, sick leave, or other leave, the Borough may reduce the employee's maximum paid family leave entitlement (six (6) weeks) by the number of days of paid leave used for vacation time, sick leave, or other leave at full pay. For example, a full week of paid vacation time, sick leave, or other leave used by the employee will reduce his/her maximum entitlement to paid family leave by seven (7) benefit days. Paid vacation time, sick leave, or other leave used by the employee for periods less than a full week will result in a reduction of one paid family leave day for every day of paid vacation time, sick leave, or other leave. The maximum reduction of paid family leave days is fourteen (14) days from the total six (6) weeks of paid family leave entitlement.

- 1) Maintenance of Benefits. While the employee is on paid family leave, the Borough will maintain its contributions to the employee's health insurance under the same terms as the plan in effect at the time the request is made, for a covered period of up to six (6) weeks, if the employee is enrolled in the Borough's health care plan at the time the request for leave is made. If applicable, the employee will be responsible for making timely payment to the Borough of his or her share of the premium cost.
- 2) Accrual of Paid Time Off. Vacation, personal leave, sick days, and any other paid time-off does not accrue during any period of unpaid leave.
- 3) Return to Work. Except for employees in key positions as defined by the law (see below), upon the employee's return to work, an employee taking an approved leave under this policy will be restored to the same or an equivalent position as held prior to the leave, with equivalent pay and benefits (unless the employee is unable to perform the essential functions of that position, with or without reasonable accommodation). In order to be restored to the same or an equivalent position, the employee must return from leave on the agreed-upon date.

- 4) **Key Employee Exception:** The Borough may deny job restoration to certain highly compensated "key" employees. The Borough will endeavor to advise employees of their status as a "key" employee at the time they request leave. However, if the Borough deems it necessary to deny job restoration to a key employee who is already out on leave, the Borough will inform the employee of its intention to so designate the employee and will offer the employee the opportunity to return to work immediately.

Intermittent Leave Schedule and Notice to the Borough. An employee taking paid family leave in connection with a Family Member's Serious Health Condition may take the leave intermittently as forty-two (42) separate days of leave. An employee seeking intermittent paid family leave for a Family Member's Serious Health Condition is required to provide employers with fifteen (15) days notice unless: (1) an emergency or other unforeseen circumstance precludes prior notice; and (2) the employee makes a reasonable attempt to schedule the leave in a nondisruptive manner.

Procedure.

- 1) **Notice.** An employee intending to take paid family leave shall submit a written request, accompanied by medical certification if the leave is for a Family Member's Serious Health Condition, to his/her Department Head. Using N.J.A.C. 12:21-3.7 as a guide, the following notification timeline should be followed when requesting paid family leave:
 - **Birth or Adoption of a Child:** An employee intending to take leave to bond with a newborn or newly adopted Child must provide the Borough with a minimum of thirty (30) days notice prior to commencement of the family leave. Failure by the employee to provide this notice will result in a 2 week (14 day) reduction in the claimant's maximum six (6) weeks leave for the twelve (12) month period, unless the time of the leave is unforeseeable or the time of the leave changes for unforeseeable reasons.
 - **Serious Health Condition - Continuous Leave:** An employee intending to take leave to care for a Family Member with a Serious Health Condition on a continuous, non-intermittent basis must provide the employer with prior notice of the family leave in a reasonable and practicable manner, unless an emergency or other unforeseen circumstance precludes prior notice.
 - **Serious Health Condition - Intermittent Leave:** An employee intending to take leave to care for Family Member with a Serious Health Condition on an intermittent basis must provide the employer with a minimum of fifteen (15) days notice prior to the commencement of the intermittent family leave, unless an emergency or other unforeseen circumstance precludes prior notice.
- 2) **Medical Certification.** Medical certification of the need for paid family leave is required where the leave is due the Serious Health Condition of a Family Member. The

BOROUGH OF FORT LEE EMPLOYEE HANDBOOK

Borough will provide the employee with the appropriate medical certification form to be completed by the Health Care Provider of the employee's child, spouse, or parent. The certification must include: (1) the date the Serious Health condition commenced; (2) the probable duration of the condition; (3) the medical facts within the knowledge of the provider of the certification; (4) a statement concerning the need for the employee to provide care for the individual; (5) an estimate of the time the employee will need to provide care; (6) a statement of the medical necessity of any intermittent leave; and (7) the dates of any future intermittent leave.

The Borough may also require subsequent re-certifications on a reasonable basis. Failure to comply with the certification requirements may result in the delay or denial of family or medical leave. If the Borough has reason to doubt the validity of the medical certification provided by the employee, the Borough may require a second medical certification, at the Borough's expense. Such certification will be completed by the Health Care Provider of the Borough's choice, but not by a Health Care Provider who is regularly used, or under contract with, the Borough. If the second opinion differs from the opinion in the original certification, the Borough may require, at its own expense, that the employee obtain the opinion of a third Health Care Provider designated or approved jointly by the employer and the employee concerning the information in the certification. The opinion of the third Health Care Provider shall be final and binding on the Borough and the employee.

J. PREGNANCY DISABILITY AND CHILD-CARE LEAVE

An employee may use accrued sick or vacation leave for pregnancy-disability purposes but shall not be required to exhaust accrued leave before taking a leave without pay.

An employee must exhaust all accrued sick leave to be eligible for private disability through CIGNA Insurance.
